INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

To THE CHEROKEES,

Whithersoever Dispersed Throughout The United States:

You are advised that the time to apply for your prorato of the \$5,560,000 (five million, five hundred and sixty thousand dollars) of Eastern money is extended until March, 31, 1907. Don't wait if you want your money.

Write me today and I will send you papers with instructions; but do not SIT STILL until the last day is gone. The money is for you and your heirs if you are of Cherokee Blood. Let me ask that you give this prompt attention.

I have made an agreement to collect this money for ten per cent whether it be \$1,000 or \$5,000 apiece, and if your claim passes all right, your money will be sent direct to YOU. I cannot handle the money, except the ten per cent, and I desire that each one of you get the money. It is now in the Treasury, and unless you apply, you will never get any of it. This is no "fake or ruse", but it is as solid and sure as the Federal Government.

Write me at once and get the papers.

Yours truly,

Anderson P. Cagle.

Sir:-

Your letter of August 23, 1907, addressed to the Treasury Department, has been referred to this office for reply.

You are advised that your application for participation in the Eastern Cherokee fund has been received and filed as No. 2563.

Mr. W. H. Sizemore,
Eva, Morgan County,
Alabama.

Sir:-

Your letter of March 11, 1907, inclosing a circular letter from Anderson P. Cagle, of Konawa, Indian Territory, is at hand.

In reply you are advised that your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, has been filed in this Office by Messrs. Winans, Bickford & Clagget, as your attorneys. It would, therefore, be entirely unnecessary for you to employ another attorney in that matter.

Furthermore, it is very doubtful if there is any claim for land which you could now successfully make.

You state in your letter that Mr. Cagle is asking \$250 for the land recovery. Have you any of his papers setting this forth? If so, will you please forward the same to this Office for examination? Your Postage Stamp is returned.

Very respectfully,

Sir:-

Your letter of recent date, making inquiry as to the proper party to represent you as attorney to present your claim for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

In reply thereto you are advised that this Office will not undertake to suggest the names of any agents or attorneys to represent claimants in the presentation of their claims. It appears, however, from your application that you are represented by Messrs. Bickford, Winans & Clagett of this city, who filed your application in this office.

In further response to your letter you are advised that no time has been set for the payment of this money, and none can be fixed until after the enrollment of those entitled to participate has been completed, which will not be for some time.

Sir:-

Replying to your letter of March 22, 1907, you are advised that this Office knows nothing about a judgment for \$5,560,000 for the Eastern Cherokees; but that the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees amounts to a little over \$4,000,000.

There is no land to be distributed in connection with this Eastern Cherokee fund.

The letters you inclosed are returned to you, herewith.

Sir:-

Your letter of recent date, relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, is at hand.

In reply you are advised that this Office cannot undertake to fix the amount of compensation to be paid attorneys for the prosecution of these claims. Unless there is some difficulty in connection with the case, this Office does not deem it necessary for claimants to have any attorney, but if they see fit to employ one they will have to make their own arrangements as to the amount of fee.

It is impossible to state at this time how much each claimant who is enrolled will receive, or when the payment will be made.

Mary B. Newman,

Madam:-

Replying to your letter of August 10, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

ELC.

Special Commissioner.

Dear Sir:

On May 28th, 1909, The Court of Claims on the recommendation of Guion Miller turned down the claim of Mary V. Newman and minor child for participation in the division of funds of the Eastern Cherokees, Application No. 21674. She thinks that she has a good claim and desires to file her exceptions to same. Will you please notify ~~her~~ me the grounds upon which the court turned down the application, to the end that I may file exceptions, and proper affidavits. I understand that she had no legal assistance, and as they are ignorant people do not seem to know any thing about the decision or on what grounds her application was rejected,

Thanking you in advance for the information,

My grandfather died before I was born. He died in Cornersville. He was about 70 or 80 years old at the time of his death. He was born in Ga. I do not know in what county. He was 1/2 blood. My father and my uncle have always taught me this. And I have heard my mother say the same thing. My great grandfather, Bill Spears, was a full blood Indian. Bill Spears came to this country from Ga. about long before I was born. I do not know just when. I never heard of any of my ancestors ever getting any money from the Government on account of their Indian blood.

Dear Sir In reply to the inquiry
in Application No 8065 as a matter of
fact it is impossible to give you the
Name Correctly, and more particular-
ly as to how he spelled it. Because I was
born some time after the year of 1881
when the roll was made, & having
not seen that roll, it is impossible
that I can do so. & again, My Mother
~~did~~ died when I was 5 or 6 years of
age. & Father died when I was about
8 or 9 years of age. Neither of them
lived to teach me any thing. Hence
you can see that I could not have
been in position to learn and retain
any thing I may have learned.

I have un-doubted thought some one who
might have known my Grandmother &
Grandfather. but I have failed.
If they were named in their names
should appear on the Dawes Roll.

I do not know that I have heard
any English Name for either of my
Grand Parents, and their Indian
Name may be known so many ways
as far as I know. I would not know
whether either would be correct or
whether it either would compare
with that on the roll provided it
was there, but I am informed it
is, they could not have been old
settlers, for I never participated in
their payment made in 1895.
I don't know whether I should say
or not, that I can not write the
English language. I am getting this
written by my request.

Application No. 21,682.

Tahlequah, Oklahoma, March 23, 1908.

Mr. Guion Miller,

Washington, D.C.

Sir:-

I have your letter of the 18th, in the matter of my application as Administrator of the Estate of Lydia Dreadfulwater for participation in the Eastern Cherokee Fund, in which you ask the date of her death, by what authority do I act as Administrator of this Estate and for me to give the English and Indian name of Lydia Dreadfulwater's parents.

In reply from the best information I have, Lydian Dreadfulwater died about September 6, 1904. At the request of those who were supposed to be her heirs at the time the Court appointed me Administrator of the estate of Lydia Dreadfulwater, but since my appointment and about the time I made the afore named application, it came to light that it is very doubtful who are the heirs of Lydia Dreadfulwater, and it is not yet settled by the Court who they are. So I, as Administrator of her estate here, made application for what part of the Eastern Cherokee money might be due her estate, that it might be paid out to the heirs when found by the court.

I am unable to give you the English and Indian names of Lydia Dreadfulwater's parents.

Very respectfully,

G. J. Harris

Washington, D.C.,

Dear Sir,

Replying to your communication of Mar 20th instant, Appl #21691 C, H, B, my application for participation in the fund arising from the judgment of the court of claims in favor of the eastern Cherokees, is based on my being a Cherokee by Blood, my Grand mother was a Cherokee by Blood and resided in the old Cherokee Nation in Tenn, up to the time of her death, which date I have forgotten, her maiden name was ~~XXXXXXXX~~ Annie Indecutt, she married a white man name Adam Sebolt (a German) my mother whose maiden name was Rebecca Sebolt ~~XXX~~ was born in the Cherokee Nation in Tenn in the year 1824, near the Hiawassie river on the Cherokee side of it, after the death of her mother she resided with an older brother, Adam Sebolt Jr, in whose family she was residing when the Rolls of 1835 was made preparatory to the removal of a detachment of Cherokees from Tenn to the Cherokee Nation west, this detachment of Cherokees came west in 1838 in what is generally known as the Busheyhead emmigration, my mother's name appears on the rolls of 1835 as a member of Adma Sebolt's family, viz Adam Sebolt, Akie Sebolt, (his wife) Lizzie and Peggie, (step children of Adam Sebolt) and Rebecca Sebolt, after my mother reached the Cherokee Nation west she continued to reside with her brother up to the time of her marriage to a white man named John DeHart, when they moved from the Nation to near Fort Smith-Ark, neither my Grand parents, nor my mother were slaves nor had they any negro blood in them, none of my people were ever enrolled with the Choctaws, I made application to the Cherokee Council at Talequah for admission to ~~XXX~~ citizenship in 1889 on the grounds of being a Cherokee by Blood, after visiting the Council for several years and unable to get a hearing in my case, I then appealed to the Daws commission and was denied citizenship on the grounds of non residence and not because I was not a Cherokee by blood that being admitted hoping that I have made my answers to your questions clear,

I am very respectfully,

Lang D. Hart

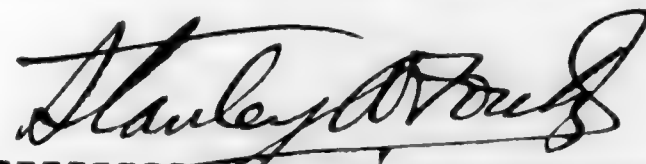

No. 21691.

Report in Case of Mary DeHart Paired.

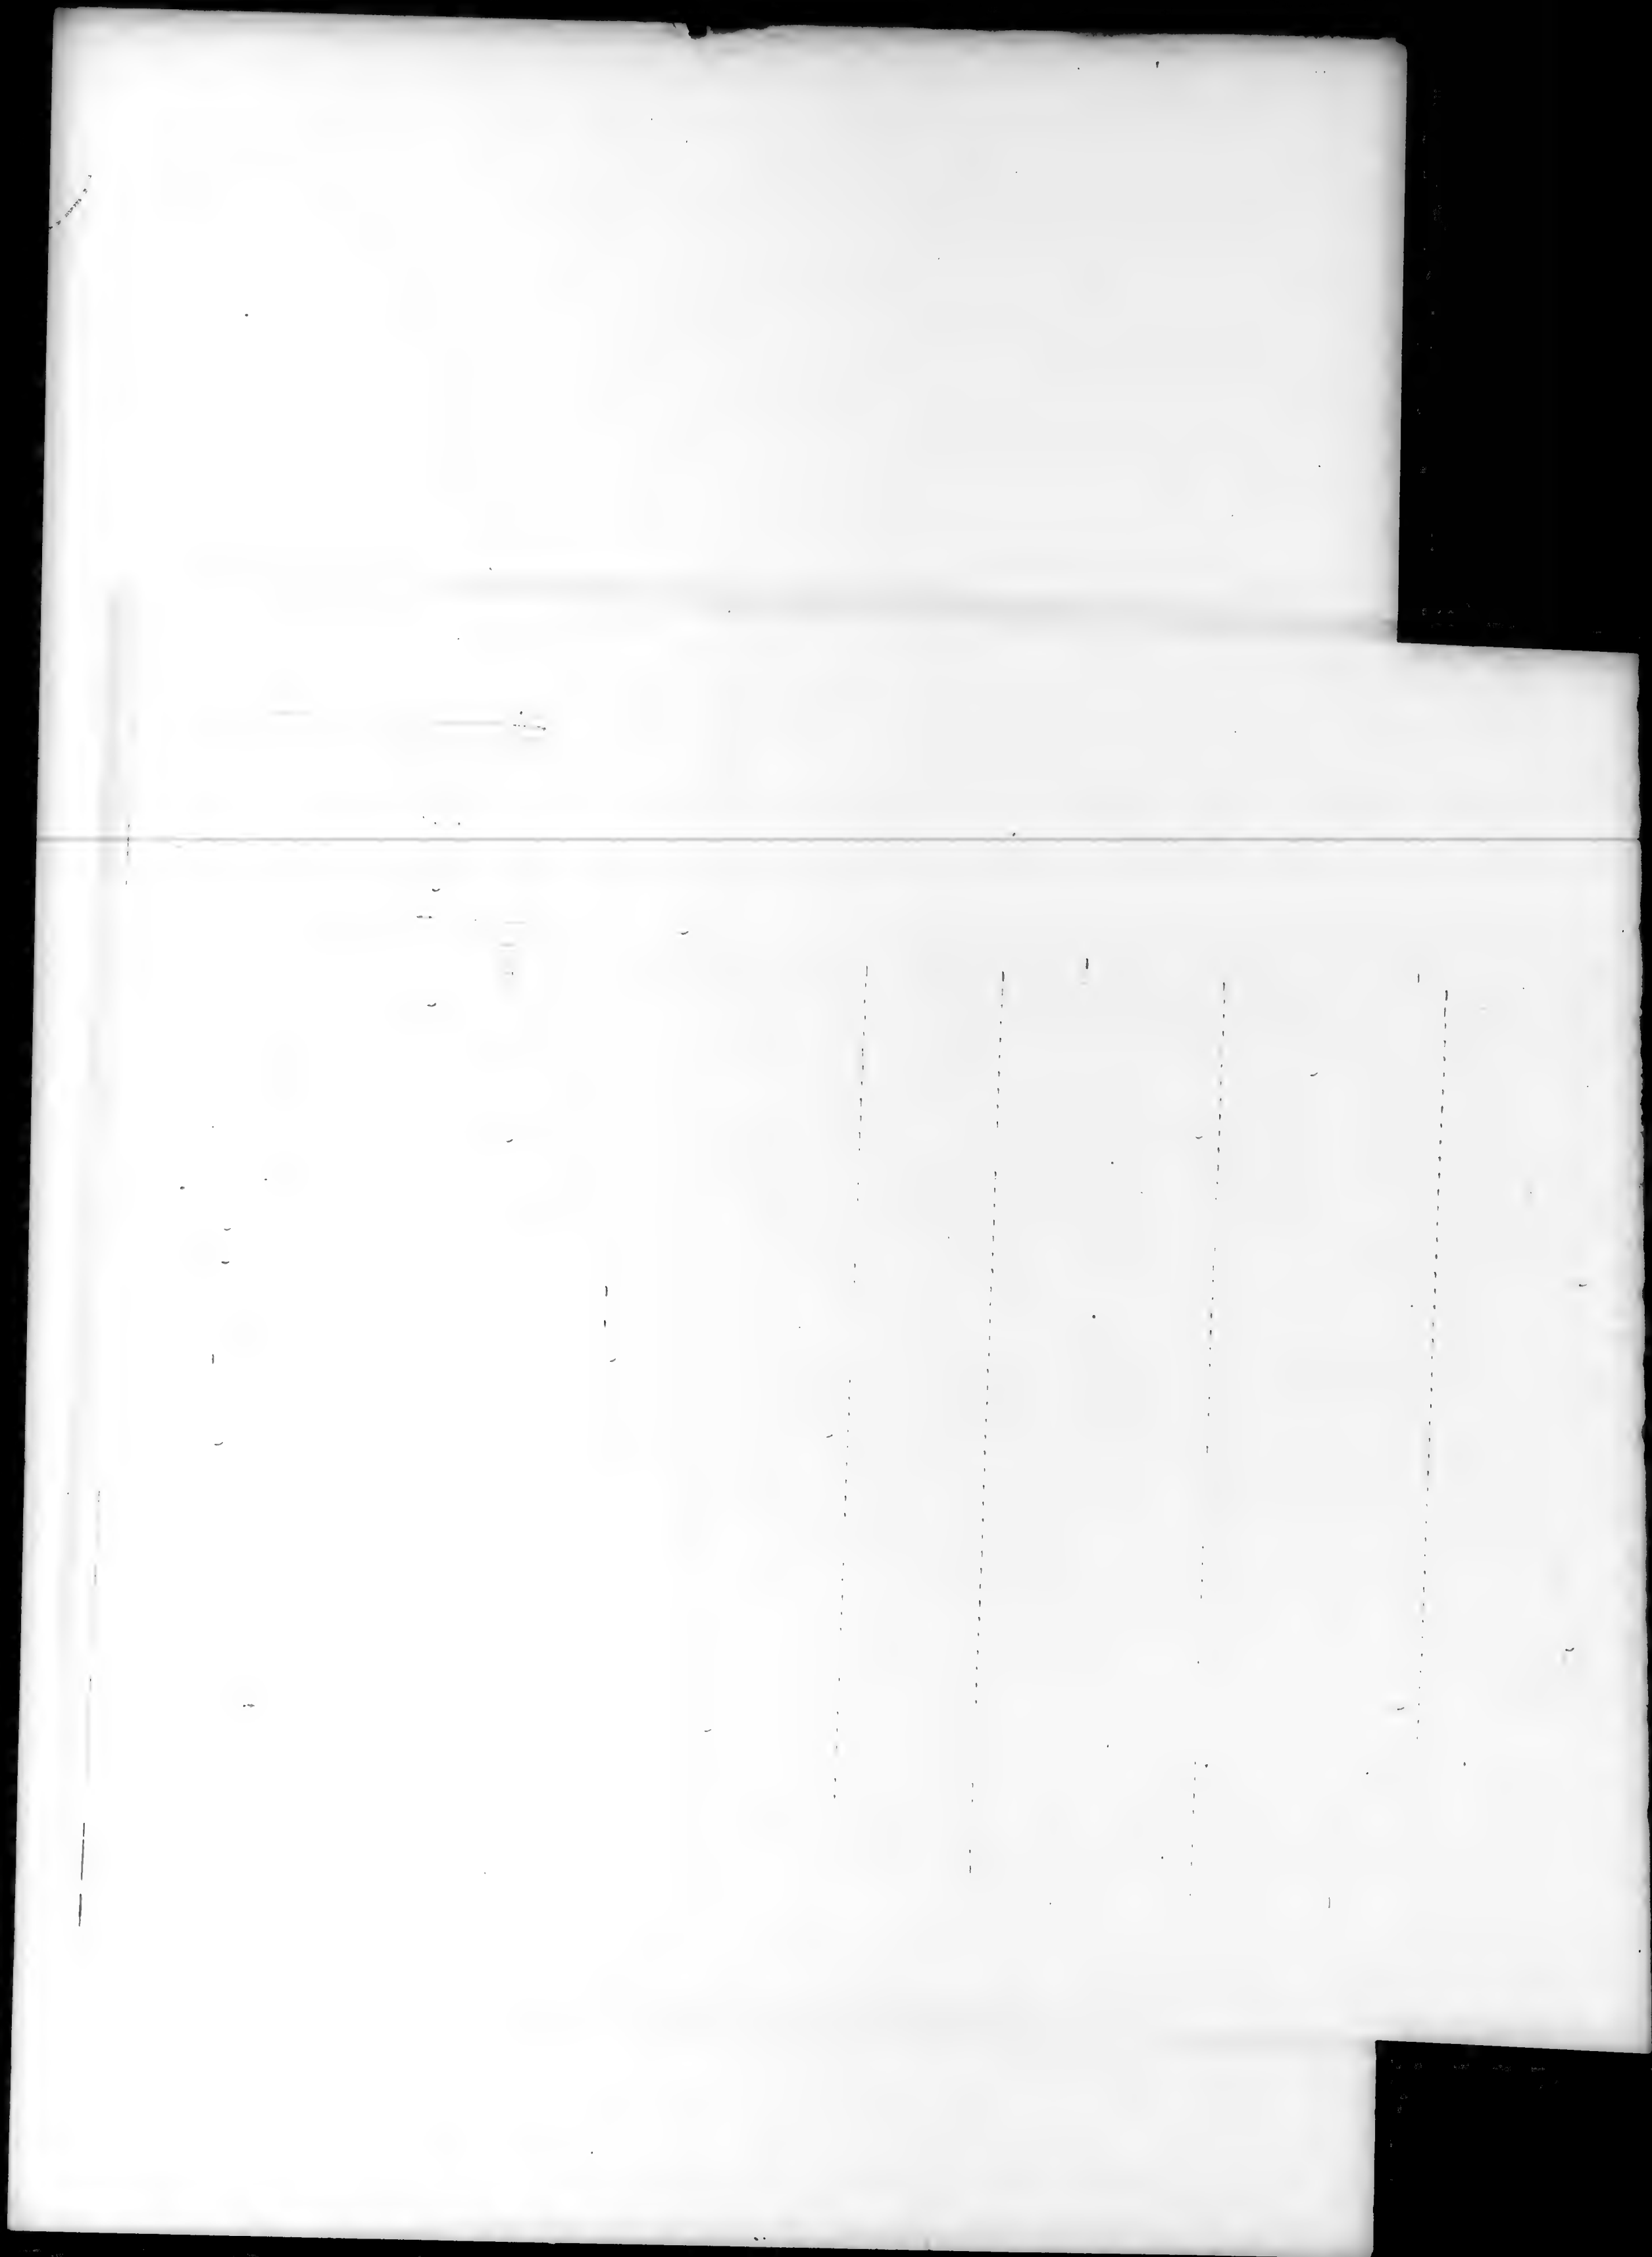

From the testimony and letters on file in this case, it appears that the applicant is claiming through her mother, whose maiden name was Rebecca Seabolt, alleged to have been living with a brother by the name of Adam Seabolt in 1875. The said Adam Seabolt had in his family the said Rebecca Seabolt, two step-daughters named Peggy and Lizzie Fields and his wife, constituting five in all.

In the testimony it appears that the father of the said Adam Seabolt was a white man. On the roll of 1875 there is an Adam Seabolt at the head of a family of five, consisting of one full blood and four quarter bloods. Upon investigation of the case it is apparent that the full blood was the wife of Adam Seabolt and if Adam Seabolt's wife was a full blood, her children, referred to in a letter as step-children of Adam Seabolt named Peggy and Lizzie Fields, could not have been less than a half-blood. It is impossible for children of a full blood to be less than a half-blood. It would seem from this that the family of Adam Seabolt referred to in the testimony is not the family enrolled in 1875, as in that family there were four quarter bloods. From the evidence adduced in this case, two of the members of the family were the step-children of Adam Seabolt and the children of his wife, who was a full blood.

It appears from the testimony that Adam Seabolt and his brothers, John and Henry, and sisters, Rachel and Annie, were living in the Cherokee Nation West in 1851. However, they were not enrolled by the enrolling agents in 1851. There is a John and Henry Seabolt on the roll of 1851, but from the investigation of other cases on file in this office, it appears that they were the children of Henry Seabolt, Sr.

and Ceily Seabolt and the said Henry Seabolt, Sr. and Adam Seabolt, the grandfather of the applicant, were not related, as the said Adam Seabolt was a white man and alleged to be a German. The applicant was refused admission to citizenship in the Cherokee Nation, was never enrolled by the Dawes Commission and has never lived in the Cherokee Nation West. She was born in Arkansas in 1842. It does not appear that she or her ancestors were parties to the treaties of 1825-36 and 1846.

This claim is in no way established, therefore it is rejected.

Repl,ing to your communication of the 9th inst, with
further reference to my application for participation
in the Eastern Cherokee Fund,

my mother has never filed an application for a share in

I am unable to inform you why my mother never made appli-

her than to say that the matter was never brought to her
attention,

my mother died at my home in Wilburton one year ago last
April, and for a long time previous to her death, her mind
was very much impaired, so much so, that she was incapaci-
-tated from transacting buisness of any kind,

my right to participate in the Eastern Cherokee Fund, was
brought to my attention, by Anderson P Cagle, something more
than one year ago, when steps were taken, and my claim filed

In the hope that the statement herewith will be of service in connection with the direct questions on separate paper, I take the liberty of handing you the enclosed, showing the number of children in the family to which my mother belong, viz six boys Jake-John-Adam-Henry-David and William, six girls Susan-Mary-Rachil-Kat.-Annie and my mother Rebecca, to the best of my recollection my uncle William died in 1849 or 1850, uncle David died in 1864 or 1865, I am pretty sure that he was living in the Cherokee Nation in 1852, uncle Jake died in the Cherokee Nation west but I do not know whether his death occurred before or after the year 1852, my aunts Susan-Mary and Kat. I feel sure died before 1852, uncle John-Adam and uncle Henry were living in the Cherokee Nation west in 1852 as also were my aunts Rachel and Annie, the entire family of children were born in the old Cherokee Nation East, and emigrated to the Nation West, my grand fathers name was Adam Seabolt, my grand mothers maiden name was Annie Endicutt, and she was a Cherokee by Blood,

Answer, 6th question, in the year 1890 I made application to the Cherokee authorities through the National Council (Legislature) for admission to citizenship as a Cherokee Indian by blood, and submitted evidence to substantiate the same, after attending the councils at their regular yearly setting for three years and being unable to get a hearing from them, I appealed to the United States Court at Muskogee, Judge Springer ~~XXXX~~ before whom my case was brought denied my rights to citizenship in the Cherokee Nation solely on the grounds of my not residing in the Cherokee Nation (the master in chancery having previously passed favorably on my claim and recommended that I be admitted to citizenship) and for the above reasons I did not apply to the Dawes Commission for an allotment, thinking it useless and believing that they would not entertain my application,

Answer 7th and last question, my mother's brother Adam Seabolt was living in 1851, he was living in the Cherokee Nation West, in which Nation he had lived continuously since emigrating to it in 1838 in the Busheyhead detachment, of Cherokee Indians,

FOR MINOR CHILDREN

GEORGE B. DENISON
ATTORNEY AT LAW AND SOLICITOR IN CHANCERY
VINITA, IND. TER.

Jan. 23, 1907.

Mr. Newton Hall,
Vera, I.T.

Dear Sir:-

Your letter of the 20th. inst. received.
I have not looked into the matter sufficiently to
form any opinion as to whether the descendants of
Rhoda Caulk are entitled to draw money under the
late decision of the Supreme Court, but Milton M.
Caulk has applied (through Emmett Starr) and if
he can draw then your parent (a daughter I believe
of Rhoda Caulk) if living would be entitled to a
share and if dead her share would go to her heirs.

If your parent, descendant of Rhoda, is living
you would have no right to apply.

Herewith you will find a blank upon which to
make your application which, if you apply, should
be sent to " Commissioner Of Indian Affairs,
Department of the Interior, Washington, D.C. "
before Jan. 31, 1907.

Yours truly.

Madam:-

Replying to your letter of July 23, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, you are advised that the applications have not been taken up for final consideration as the Court in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 30,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If you have any minor children you should fill out the inclosed supplemental application blank and return to this office.

My name is Thomas W. Collins. I am 58 years old. I live about 4 miles S. W. of Collinville in Tulsa County; have lived there 7 years. Came to this country in 1869. I know Maggie Collins. She is my wife. Thomas J. Collins is my son. I did not file for myself. My wife claims to be one-half Cherokee, and Thomas J. claims through her. She was enrolled by the Dawes Commission. ~~I do not~~ *4965* remember her number. My son was also enrolled by Dawes Commission, No. 4966 (Thomas K. Collins). I think my wife was not enrolled before this. She did not get the strip or bread money. Was rejected on the strip money. My wife is about 46 years old. She was born in this country. In Flint District. She gets her blood from her mother, Rachel Boulden, Rachel Fields before marriage. She is dead. Died when ~~she~~ *my wife* was a child. She came from East Tennessee. Rachel Fields was enrolled on some roll. She was living in Tennessee in 1851., and I think she was enrolled. She had two brothers and sisters: Martin and John Fields. They lived in East Tennessee; they came to this country. One died here and the other has not been heard from since he went to California. She got her blood from her mother and father both. I don't know Rachel Field's mother. She was also known by the name of Arsippa. Her father was George Fields. He lived in Tennessee; he came out here for awhile and went back. I believe they were enrolled. I never heard the names of George Fields' sisters and brothers. Martin Field was an uncle and said they drew money. She had a brother John. He lived out here, i.e. (George) more than 50 years ago. She (Rachel) lived in Illinois District. John went on to California and did not stay here long. They were not regarded as Old Settlers. They did not associate with any other tribe of Indians.

Sir:-

Replying to your letter of August 17, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

My name is John Hew Glover. I live at East Point, Ga. I was born in 1875 in Southwest Ga. I claim through my father. He came from S. C. I don't know what part. My father died in 1905. Nat Walker owned my mother. My father was free. My father was 73 when he died. He got his Indian blood through his father and his mother both. My father lived by himself. He was recognized as an Indian. He was a full blooded Indian. I often heard him say he was Cherokee. He and his parents never got any money or land from the Government on account of their Indian blood. I have heard my father speak about his playing with the Indians when he was small. My father did not have any Indian name but my grandfather was known as Indian Dick. He came to this country from S. C. in 1870. I have heard my father speak about the Indian being driven away, but he never said why he did not go. I never heard my father say that he lived with the tribe, but I have heard him say that his mother lived with the tribe in S. C. In 1868 my father and I were living in Fulton Co. I don't know why we were not enrolled at that time. I have heard him speak about enrolling in a tribe but he never did it.

Green M. Stewart being first duly sworn deposes and says:

My name Green M. Stewart, and I live at Texola, Okla. I am 66 years old. I claim my Indian blood through my mother, Maria Wyatt. She died about 35 years ago at ~~shaxaga~~ about 55 years of age. She died in Ark. She had lived there about 5 or 6 years. She was born in Buncombe County, ~~N.C.~~ N.C. She was about 1/4 Cherokee. She went from N.C. to Lumpkin County, Ga. where she raised her family. It was ~~way~~ after the war that they came to Ark. My mother got her Indian blood through her mother, Annie Wyatt. My grandmother died in Floyd County, Ga. in 1857. My grandmother was born in N.C. and was 1/2 Cherokee. She was also called Annis. In N.C. she lived with the Indians, they visited her and she visited them. She never got any money in 1852 on account of her Indian blood. I never heard about any enrollment from my mother or grandmother. I never applied for my rights out here in the Territory, and I have been out here 18 years. My mother was not named Wyatt at all. Her father was a Jordon and her maiden name was Maria Jordon instead of Maria Wyatt as I stated above. My grandmother was Annis Jordon nee Wyatt. I do not mix up with the Indians out here in this part of the country, but my people when they are back in the East did so. I saw an uncle, my mother's brother, two years ago, Noel Jordon or Noah Jordon, who must be over 100 years old. He lived in Cherokee ~~Northern~~ Ga., and it was there that I saw him. He certainly looked like an Indian. He was an old man when I was a boy.

and no children.

Residence:

Guilford, Tenn.

Reasons:

It does not appear that applicant or any of his ancestors were ever enrolled. It does not appear that they were living within the Cherokee Domain in 1835-6 & 1846, as members of the tribe. It does appear that applicant's mother, then whom he claims, was living with the Cherokees as a member of the tribe and that she was recognized as a white woman in the community in which she lived.

Appl. #21756

Martha Ellen Owens, being duly sworn, deposes and says:--

My name is Martha Ellen Owens. I live at South Pittsburg, Tenn. I was born in 1868 in Bradley County, Tenn. I claim to be connected by blood to the Cherokee tribe of Indians. I claim through my father and his mother. My father was between 60 and 70 when he died. He was born in S. C. I don't know what part. I don't remember where my grandmother was born. My father and his mother lived with the white people. I never heard of them taking part in any tribal proceedings. My father's ~~mother's maiden name was Patsy Blue.~~ I never heard of my father or his mother ever getting any money or land from the Government. My father was recognized as a white man. My grandmother was recognized as an Indian. I never since I remember she always lived with the white people. I never heard of her living with the Indians. I don't know where my grandmother lived when she was a girl. I never heard of my grandmother being enrolled. I was always taught by my father that I had Cherokee blood in me. My father never tried to get anything from the Government. Why I happened to apply a lawyer came around and told me of it, ~~said~~ said there was some money for all people that had Indian blood.

I am 24 years of age; was born in Arkansas. I claim Cherokee Indian blood through my mother. She is living now and has made application for participation in this money. I do not know whether she was born in Tennessee or Arkansas. I never tried for an allotment. My mother never did either. She never received any Indian money. She got her Indian blood from her mother. I have seen my grandmother. She lived in Arkansas with the white people. My mother went to the white schools. My grandmother came to Arkansas from Tennessee. I think she came when she was a girl. I have heard of my Indian blood ever since I can remember.

John H. Coody being duly sworn deposes and says:

11123 My name is John H. Coody. I am 63 years old. I was born and raised in this neighborhood. My parents are old settlers on both sides. Richard H. Coody is my son. He gets his blood from his mother. He was born in 1879. He is about 28 or 29. He was enrolled by the Dawes Commission, as Cherokee by blood. He drew Strip payment and a little payment before that. He was enrolled in '80. His mother was Mary E. Rogers before marriage. She has been dead since 1883. I think she was born about 1858. She got her blood from both sides. Her mother was Martha McNair. She lived on Grand River, Saline District at that time. She was born and raised there I think, although she might have come here from the East. I do not know whether Martha McNair was enrolled in 1851. She had a brother by the name of Jack. I don't remember her middle initial. They were Emigrants. I think her name was Martha A. Thompson after marriage. Her father's name was Clem V. McNair. He is in California, if living. Martha McNair was her maiden name. Her father was Henry Rogers. (That is- my wife's father). He came to this country but the other Rogers never did. My people, or my wife's people never associated with any other tribe. They might have had Indian names but I could not give them.

My wife had a brother Clem a year older than I am. I am positive Martha A. McNair was on the 1851 Roll.

Sir,

Replying to yours of 23rd, concerning and regarding my Appln. No 21762 for participation in the Eastern Cherokee Fund, I will state:— That I myself did apply as soon as I was fully aware of the facts. About 2 years ago, I went to Macon & Winston Counties in North Ala. where my father was born. There I met old men and women who knew my father C. Brown & my Grandfather John I. Brown. These people would not state a word, they all stated that my Grandfather's Mother was "Dolly Dean" a very good Cherokee girl. As none of my ancestors were slaves. On the other hand we were the owners of slaves. I can not say, why my father C. Brown did not enroll I can only surmise. He was a highly educated gentleman & stood high as a teacher & scholar in some of the best institutes of the State. "He may be"

Any information furnished by "Sam Faught" in his application for participation in the Eastern Cherokee Fund applies to my case, with this difference. I am a grand son of John Brown. ^{Son} Sam Faught is a great great grand son of Ed. Brown. Faught's grand mother was a daughter of John Brown, so he ^{Faught} has a ^{Faught} furnished good right to share in the Fund. It will apply to my case. I will do all I can to set myself right before you. You must indicate what further proof is necessary if any.

It is thoroughly known and is the consensus of opinion that John Brown was the Son of Lady Brown as all the old citizens of Walker & Winston Counties. It is Legendary Knowledge well fixed in the minds of all old people and been handed down from my back.

Coping as a matter of consideration of this matter great to comply with your request

Honorable John W. Warner,
House of Representatives,
Washington, D. C.

Sir:

I have the honor to acknowledge receipt of your letter of April 7, 1908, inclosing letter from Mr. Bell of Widen, Texas.

In reply you are advised that Mr. Brown's application is on file in this office as No. 21762, but as it has not been reached for final adjudication we cannot state whether he is entitled to share in this fund.

We are further advised that it is impossible to state, at the present time, when the fund appropriated for the benefit of this fund will be distributed. It will first be necessary to have a complete inventory of all cases entitled to share in the fund, and to have the same approved by the House of Representatives. Until this is done no money can be distributed.

Very truly yours,
The Commissioner of Pensions, filed in this office, April 10, 1908, in 11 cases of the kind stated, and these applications will have to be examined, approved in the House, and in many instances testimony will have to be taken in the field before a decision can be rendered as to the

Mr. Brown's application was filed in this office by Mr. Anderson W. Cagle, of Nowata, Oklahoma, who appears to represent him. We are unable to give you any information relative to Mr. Cagle, other than that he has filed a number of applications in this office for clients.

Mrs. Lizzie Clark,

Madam:

The application which you have filed for participation in the Eastern Cherokee fund contains practically no information concerning your ancestry. Unless, therefore, you can furnish this office with additional information your claim cannot be further considered. The additional information is:

1. The names of your grandparents on both sides?
2. Why were you, your parents and your grandparents, never enrolled?
3. Were any of your ancestors slaves?

Give any other information obtainable tending to establish your right to share in this fund.

An early reply will be appreciated.

Very respectfully,

Guion Miller
Special Commissioner,

My name is Lizzie Clark, and I live in Dallas, Tex. I am 35 years of age. I claim my Indian blood through my mother Mollie Teate. My mother died here in Tex. in 1883 about the age of 33 or 34. She was born in Cobb County, Ga. She claimed to be 1/4 Cherokee. My mother got her Indian blood from her mother, whose name was Cooper. I do not know where my grandmother was born, raised, and died. My brother told me that my mother was 1/4 Cherokee. My brother's name is Jim Adams, and he lives at Elmo, Mo. I have not heard from him for over two years.

My name is Wm J. Taylor, and I at Fletcher, Okla. I am 50 years old. I claim my Indian blood through both my mother and father. My mother has always taught me that she was 1/16 while my father was 1/10. But I do not know much about my father. My mother, Elizabeth Taylor, died 20 years ago over 60 years of age. My mother was born in Springfield Mo. I never heard my mother say through which side she got her Indian blood. I have heard mother say that her folks were originally from Ky. but I do not know what part, nor when they went to Mo. I do not know my grandparents names. My father was named Hiram Taylor, and was killed during the second year of the war. He was 1/10 Cherokee. I never heard anyone save my mother say that he had Indian blood. Neither my father nor my mother ever got any money from the government on account of their Indian blood. I do not know my father's people at all. I am positive that my mother always claimed Cherokee Indian blood. I never heard of her saying much to the neighbors of her Indian blood, and as there were no Indians in Springfield she could not associate with them. My youngest child, Johnny Taylor, was born Nov. 22, 1905.

Martha A. Freeman.

#21800.

Martha A. Freeman being first duly sworn deposes and says:

My name is Martha A. Freeman, and I live at Whitney, Tex? I am 50 years old. I claim my Indian blood through my father, Jesse W. Crane. He died here in Tex. He was born in N. C. I do not know in what county, but he has a brother, William Jefferson Crane, who now lives in Denton County, Ark. at Elmsprings, who I think can supply this information. My father claimed 1/8 Indian descent. He applied for citizenship papers in the Indian Territory and these were brought back, both for himself and his children, but they were afterwards lost. My father got his Indian blood through his father, Albert Crane. He lived in Va. and moved when my father was a boy, to the Carolinas, where he died about 50 years ago. I do not know how much he was recognized by the Indians, but my father has always told us that we were Indians. My father left N. C. to come west when I was a little girl.
